

The Principality of
Westmarch
November Althing

Please cast one vote for one option for each of the following items:

1. To approve the petition of the Freehold of Ashen Spire to join the Principality of Westmarch under the Kingdom of Dragonspine as a sponsored subland.

To join as a subland, they must pass a simple majority in a Westmarch Althing vote and a Dragonspine Althing vote. As a subland of Westmarch they are not entitled to Principality Althing voting rights nor are their members allowed to run for any Principality office. As a subland of Westmarch under Dragonspine they will be required to abide by the Amtgard Rules of Play, any Westmarch Rules Clarifications, the Westmarch Corpora and the Dragonspine Corpora.

2. To waive the six (6) month waiting period outlined in the Westmarch Corpora for Ashen Spire, if sponsored by Westmarch, to be promoted from a sponsored subland to a core land of Westmarch.

For the six (6) month waiting period to be waived, this item must receive at least a three-quarters ($3/4$, 75%) majority. As a core land of Westmarch, they would be required to tithe after every Prime Minister election, would be granted Principality Althing voting privileges, and their voting members over the age of 18 would be able to run for Principality offices.
