Esteemed members of the Circle of Monarchs and Burning Lands Board of Directors,

Westmarch would like consideration to be the next Kingdom of Amtgard. We represent all the chapters located in California, and some in Nevada. Westmarch lands have counseled each other, and joined together for events long before it was officially a floating crown Principality of Dragonspine.

The people of Westmarch travel extensively to each other's events, and local weekly game days. They support each other's events from Sacramento to San Diego, and everywhere in between. It is common to see visitors from every chapter at our primary events of the year, and the camaraderie can easily be felt when they greet each other and say their farewells.

Our events are seeing more and more inter-land teams of autocrats, and the combination of ideas and enthusiasm has produced amazing successes. The people of Westmarch are industrious and efficient, and do not flinch from difficulties or hard work.

Westmarch had some rough water to traverse, but that has forged a group of Amtgard members that are willing to work together to maintain a principality that is stable on the backs of good people. Westmarch is great due to the number of people who make her up.

Westmarch citizens can be seen at a number of Amtgard events, such as Salt Wars, Rakis, Clan, Dragonblade War, Pac War, and SKBC. Westmarch was built on the idea of traveling, and her citizens continue to exemplify that ideal.

In conclusion, we believe that Westmarch will meet your expectations, her people will be met with fondness, and we know she can represent our part of the West as a Kingdom for Amtgard.

Princess Dame Gwendair Tryst

March 2013

p.s.: I would like to personally thank the people who have made this possible: Baron Sir Keluric Tryst, Grand Duke Sir Euric Bloodstone, The Corpora Committee, Marquis Squire Hannoske-sama, Baron Squire Niveus, Lord Azus, Lord Ranvier, Baron Fiks, Baron Squire Deimos, Squire evil Randy, Lady Suraya, Lord Porkins, Countess Sir Nakita Bloodstone, Lord MaA Miles Ookami, Baronetta Squire Leah, Lord MaA Mikezilla, Lady WaA Courtenay, Lord MaA Collin the Red, Baronet Squire Laoric, Baronet Squire Torbjorn, Lord MaA Drenth, Lord MaA Griffin Koford and all the citizens of Westmarch who have persevered since 2007 to embrace the spirit of Amtgard here in California.

A Letter of Support from Our Parent Kingdom

FROM: King Randall Andalsa VII

TO: Amtgard, Inc. Board of Directors and the Circle of Monarchs of the Amtgard:

It is my pleasure to recommend the Principality of Westmarch as the next kingdom of Amtgard. The duchies, baronies and shires under the Westmarch banner are producing the quality of Amtgard expected of all our kingdoms, and represent Amtgard's core values and culture well. The principality has my full endorsement.

Amtgard in California has existed for a long time. Wavehaven was founded in 1994 by Sir Jetara of Dragonspine, became a duchy in 1999, and has been one ever since. In 2007, Wavehaven, Falcon's Reach, Seven Sleeping Dragons, a Blackspire barony named Wyvern's Spur, and a Burning Lands duchy named Crimson Wood united to form the principality of Westmarch. This union brought a deep bench of expertise from many different kingdoms, and the principality quickly grew throughout California and into the western edges of Nevada. Chapters such as Thor's Refuge—often the biggest park in Amtgard—have been born, adding fresh new perspectives to the experience and knowledge that already existing in the principality. Westmarch now has an estimated 130-150 people playing every weekend throughout its chapters, with perhaps 250-300 unique players each month. These Amtgarders have organized themselves in a way that continually impresses Dragonspine with their professionalism and expertise, and which will serve Amtgard well when Westmarch becomes a kingdom. Indeed, the principality already meets or exceeds the standards set by the kingdoms of Amtgard. Their members visit our events. They are integrated with the rest of Amtgard. They fit our game well.

Westmarch also has two excellent events—Darkshore and the Feast of Mars—which regularly draw in excess of 100 people, and which draw visitors from both Dragonspine's crown lands and from other kingdoms. I have attended several Feasts of Mars over the years, and have continually marveled at the innovations the event produces. It is one of my must-attend events.

Westmarch has kingdom numbers. In their 2011 pre-bid to the Circle of Monarchs, the average of the best attendance day each month was well over 75. In 2012, the principality finalized their non-profit paperwork and did not submit a bid. For 2013, I have seen their March 2012-March 2013 numbers, and the numbers average over 80. That means Westmarch has been averaging kingdom numbers as required of a new kingdom for over 30 months. This is a remarkable feat of determination. It has also been an exhausting process for the people of Westmarch—yet they are still ready, still prepared to become a kingdom.

It is my strong recommendation that the Amtgard, Inc. Board of Directors approves Westmarch's bid and forwards it to the Circle of Monarchs for a final vote. Thank you, and good luck.

King Randall Andalsa VII

Lands

Westmarch Days

The following is a run-down of our concerted effort to assemble kingdom level attendance in a single land on a single day at least once every month. Though a hard, long task, our people have continued to strive to meet the challenge for two years now. Presented are our "Westmarch Days" as we called them, with the date, a brief description of the days' events, and our total attendance for the day.

January 14, 2012

Westmarch Day, hosted by Aegir's Hall

Today's festivities were held at one of our newer lands, Aegir's Hall, which is an off-shoot of the Duchy of Thor's Refuge. The events done this day included a Prize Tourney, a class in sword construction, and the first of the War of the North Winds quests ran by Dame Gwendair and Sir Keluric Tryst. At the end of the quest, a relic was awarded to Mikezilla of Wavehaven.

Total sign-ins for the day: 89

February 4–5, 2012

Westmarch Day Weekend, hosted by Thor's Refuge

Another month another Westmarch Day, this one held by our highest attended land: Thor's Refuge. The fun and games this day included a sword themed Arts & Science tournament, a leather working class that went over the basic principles and gave participants a basic sword frog to take home, and the second of the War of the North Winds quests. Another relic was bestowed upon Harefor of Aegir's Hall.

Total sign-ins for the weekend: 83

March 2–4 / 25, 2012

Westmarch Midreign / Westmarch Day, hosted by Thor's Refuge

Westmarch's winter midreign was hosted by Regent Suraya at her parent's ranch in Tehachapi, CA. The third relic to come from the quests was awarded to Leper of Thor's Refuge. Once it was clear that we were not going to have enough people at Midreign alone, another Westmarch Day was planned at Thor's Refuge on March 25.

Total sign-ins for the weekend: 54 / 81

April 14, 2012

Crown Qualifications, hosted by Thor's Refuge

With the new reign just around the corner, we gathered once again at Thor's Refuge to hold our crown qualifications. The day was mostly taken up by the needs of the Qualification process, but after the cultural and fighting tournaments were completed, we took to the field for our fourth War of the North Winds quests.

Total sign-ins for the day: 85

May 18–20, 2012

War of the Darkshore XV

The fifteenth iteration of Wavehaven's War of the Darkshore was also May's official Westmarch Day and Coronation. It was a glorious weekend full of battlegames, tournaments, and merriment. Bridge Battles, Pirates vs. Ninjas Battles, and Castle Battles were just a few of the games played over the weekend. After that we all gathered around the stage for food, professional belly-dancing, and then Court.

Total sign-ins for the weekend: 117

June 8–11, 2012

Flurbtastic Weekend

Westmarch's flurbiest weekend returned in 2012. Jointly hosted by Thor's Refuge and Crimson Wood, this weekend event had a safari style. Those brave enough to take to the wilds of Africa assisted the Expeditionary League of Gentlemen Explorers in saving their missing Colonel Lexington. Only the flurbiest would succeed, and to that we said "Bully!"

Total sign-ins for the day: 53

July 14, 2012

Westmarch Tutorial for Fighters, hosted by Thor's Refuge

Westmarch saw the third year of our own day event dedicated to improving fighting skills across California. This year we were blessed with the presence of Sir Guy and Thedro as our marquee instructors.

Total sign-ins for the day: 56

August 4, 2012

Westmarch Midreign, hosted by Thor's Refuge

Westmarch gathered forth in Thor's Refuge to host its Midreign festivities. Weaponmaster and Dragonmaster tournaments were held, and fun was had by all.

Total sign-ins for the day: 45

September 15, 2012

"Gwenmarch" Day, hosted by Thor's Refuge

Westmarch Day was the same day as our own Dame Gwendair's birthday, and was dubbed "Gwenmarch Day." Many people came out to enjoy battlegames, ditching, and cake.

Total sign-ins for the day: 79

October 11 – October 14, 2012

Feast of Mars VIII

Feast of Mars returned for its eighth year of gladiatorial themed combat, battlegames, camaraderie, and great food. This year added an archery booth and an A&S competition to the usual festivities. If you haven't experienced Feast of Mars, you should talk to Randall about it. I hear he likes the event.

Total sign-ins for the weekend: 113

November 3 / 25, 2012

Westmarch Crown Qualifications, hosted by Crimson Wood

Crown Qualifications were held in Crimson Wood. The usual festivities were augmented by a battlegame and fierce ditching. A second Westmarch Day was had in Thor's Refuge later in the month.

Total sign-ins for the day: 66 / 85

December 1, 2012

Westmarch Day, hosted by Thor's Refuge

December's Westmarch day suffered slightly from cold, wet weather, but Westmarch citizens still came out to enjoy the day.

Total sign-ins for the day: 50

January 5, 2013

Westmarch Day, hosted by Thor's Refuge

Again the cold weather threatened to keep our attendance and spirits low, but as many as us that could brave the cold showed up to celebrate the second Westmarch Day of Dame Gwendair's new reign and to participate in the first lead-up battlegame to this year's Flurbtastic that featured Sir Francis Drake and a trio ships.

Total sign-ins: 55

February 9, 2013

Westmarch Midreign, hosted by Thor's Refuge

This midreign featured beef stroganoff, a Food Throw Down in addition to the usual Dragonmaster competition, and further Flurbtastic lead-up battlegame shenanigans. This was also our best single-day attendance recorded during our kingdom push effort.

Total sign-ins: 108

March 3, 2013

Flurbtastic III

The third installment of the Flurbtastic franchise occurred a little earlier in the year, and like someone showing up to an appointment way before their scheduled time, the enthusiasm displayed at this day was borderline obnoxious. Many a pirate crew battled it out to claim the prize of the Crown of the Pirate King. Allegiances were formed and broken at the turn of a hat and a wink of an eye, and as if the crews didn't have enough to worry about in each other, there was a crew of undead pirates and their trained land-shark named "Jay!"

Dear Applicant:

We are pleased to inform you that upon review of your application for tax-exempt status we have determined that you are exempt from Federal income tax under section 501(c)(7) of the Internal Revenue Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

A section 501(c)(7) organization is permitted to receive up to 35 percent of its gross receipts, including investment income, from sources outside of its membership without losing its tax-exempt status. Of the 35 percent, not more than 15 percent of the gross receipts may be derived from the use of the club's facilities or services by the general public. Income in excess of these limits may jeopardize your continued tax-exempt status.

Sincerely,

ARTICLE I: NAME AND PURPOSE

Section 1. NAME

1. The name of the organization is Amtgard, Kingdom of Westmarch, Inc. ("Kingdom of Westmarch", "Westmarch", "Kingdom")

Section 2. PURPOSE

1. Westmarch is a collection of Amtgard chapters whose members participate primarily in California. The Kingdom shall operate as a Floating Crown, with officers and voting eligibility determined by distance from a general Kingdom center point of Gilroy, CA.
2. Amtgard, including Westmarch, is a non-profit, free, non-sectarian group dedicated to the recreation of medieval and fantasy genres.
3. Events hosted by the Kingdom are considered to be held by the Kingdom for the purposes of officer jurisdiction and attendance.
4. Westmarch sponsors several smaller chapters that also play Amtgard, but are not autonomous kingdoms.
