## Instructions

*Read these. They are important and explain the whats, whys, and hows of this document.*

## Instructions

The purpose of this document (“form”) is to allow a Prime Minister or Monarch or a specially assigned representative thereof (“you”) to organize and present the auditable data for your land for a given audit period. Audits submitted for review by the Westmarch Board of Directions (“BoD”) shall consist of at least two parts: this form completed to the best of your ability and an organized archive (.zip or .rar only please) of scans of the land’s relevant documents.

Make sure you are using the correct audit form for the size of your land. Audit forms for all sizes of sponsored lands within the Kingdom are available on the Important Documents page of the Westmarch website:

<http://www.caamtgard.com/docs/>

Also do not fail to ensure that you are using the an up-to-date version of Adobe Reader. (Foxit should work, but is not recommended by the editor or the BoD. If you want to ensure that your audit is saved and viewed correctly by the BoD, best to use Reader.) The link to download the latest version of Adobe Reader is below:

<http://get.adobe.com/reader/>

The structure of this form is hinted at by the Table of Contents above. Layout wise the form is formatted with the bulk of the document being the structured forms that allows you to input audit data logically and in an easy to read fashion. This form is also laid out so that it should print out attractively on most printers.

While the majority of the form should be self-explanatory, notes describing what the form and the BoD will be asking for are in the outside (away from the “spine”) margins of the document on the other side of the grungy red line. See to the left for an example of these notes in action.

This form was produced by request of the BoD. All errors and reproducible bugs (read: happens on more than one computer/for more than one user) can addressed by the most recent editor: Fiks. Contact him either on the Westmarch forums or by sending him an email at [fiks@wavehaven.net](mailto:fiks@wavehaven.net).

## Hey You...

*Are you still reading the instructions? Good. Have an imaginary cookie.*

## Letter to the WM BoD

*Compose a letter to the WM BoD if you so desire. This is a great place to explain any irregularities in your audit submission. This is also a great space for the Monarch to write how their land has fared in the given six months.*

## Arts & Sciences

Here you will list the results of your most recent crown qualifications for the listed officers. Specify if the officer qualified at a local Crown Quals or at the Kingdom Crown Quals by checking the appropriate box.

Supply the name of the item, what category it was entered in (use the Corpora listed categories unless a custom category was ran by the Quals).

List the average of the judges scores for the given item in the right-most column. Round your averages to the tenths decimal place (1.1, 2.2, etc.) as per Corpora.

Finally, list the top three champions of the Cultural Quals. Include the number of items they submitted and their total Arts & Sciences score as defined by the Corpora, Article VI, Section 5, Item 6.

Do not forget to include a scan or screenshot of your Quals results in your audit packet.

## Warmaster

Give the results of your local Warmaster event here. If no Warmaster was held during the Time of the Crown, leave this section blank.
